

Come ride your bike along the Tony Knowles Coastal Trail and learn about the birds of this **Important Bird Area** right here in Anchorage. Whether you want to learn how to tell a godwit from a grebe and other bird basics or are ready to exercise your birding skills, grab your bike and join us.

The Alaska Zoo will show a live **BIRD** at Westchester from 1:00 to 1:30 PM and at Elderberry Park from 4:30 to 5:00PM!

**\*We are still starting at the Westchester Lagoon boat ramp, but the rest of the route was changed due to Coastal Trail Construction Plans.\***

**For More Information:** contact Aaron Bowman at 276-7034 or [abowman@audubon.org](mailto:abowman@audubon.org)
