I am employed as a Detective by the Anchorage Police Department in the Homicide Unit. I am the case officer assigned to Anchorage Police Department case number 19-19445.

The following information was obtained through observations of the complainant, statements by the suspect(s), witnesses and reports by the Anchorage Police Officers involved.

COUNT's I thru II:

1. On or about the morning of June 3, 2019, dispatch received a report that Cynthia Hoffman (DOB: 10/08/1999) AKA "CeeCee" had not returned home the previous evening and was missing. Hoffman was listed as a missing person through APD dispatch.
2. On or about the evening of June 3, 2019, APD officers contacted Nicole House. House indicated that her daughter, Denali Brehmer, and a friend she thought was named "Anthony" were at her home the night of June 2, 2019. House stated that Brehmer and "Anthony" told her that "Anthony" had shot CeeCee in the head and pushed her in the water.
3. On June 4, 2019, APD homicide detectives spoke with Denali Brehmer. After being read her Miranda rights, Brehmer told detectives that she, CeeCee, and Defendant KAYDEN MCINTOSH were smoking weed in the Valley on the June 2, 2019, when they started driving toward Anchorage. The three of them stopped in Chugiak at a parking lot near Thunderbird Falls. They walked into the woods and were playing around in the woods. The three of them agreed to duct tape each other and take photographs. CeeCee was bound by her ankles and wrists with duct tape. She also had grey duct tape placed over her mouth. However, CeeCee started to panic. They removed the duct tape from CeeCee's mouth and hands. CeeCee began to tell them she was going to call the police and tell them that they had kidnapped her and sexually assaulted her. Brehmer had her KELTEC 9 mm in her hand. Brehmer told detectives that MCINTOSH took the gun from her hands and shot CeeCee in the back of the head. CeeCee was still on the ground and Brehmer believes she was trying to call police. Brehmer saw CeeCee twitching before MCINTOSH pushed her in the creek.
4. Brehmer told detectives that she and MCINTOSH left to her vehicle in the parking lot. MCINTOSH told her to text CeeCee's sister and make up a story about dropping her off

somewhere. Brehmer told her she complied with MCINTOSH because she was scared of him. They then left to Anchorage and MCINTOSH burned CeeCee's purse, some of her clothing, her ID, and the gun that he shot CeeCee with.

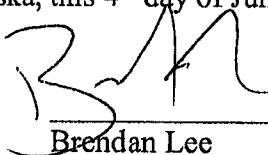

5. APD homicide detectives also interviewed Defendant KAYDEN MCINTOSH on June 4, 2019. After being read his Miranda rights, MCINTOSH told detectives he, CeeCee and Brehmer were smoking weed in the Valley and started driving to Anchorage. They stopped in Thunderbird Falls and followed the trail along the river. They were hanging out and all agreed to duct tape CeeCee and take photographs. He recalls CeeCee started panicking and threatening to call the police on them. He stated he "blacked out", but that he remembers shooting CeeCee and pushing her into the river. He remembers CeeCee twitching before he pushed her in the water and does not know if she died from the gunshot wound or from drowning. He stated that didn't want Brehmer AKA "Angel" to go to jail. MCINTOSH admitted to burning CeeCee's purse, clothing, ID, and the gun he shot her with in Mountain View.

6. On June 4, 2019, APD found a body in the creek at the location that Brehmer told them the murder occurred. The feet of the body were duct taped together with grey duct tape. The body is pending identification.
