Department of Appropriation:
Department of the Mayor  $60,000
This resolution will appropriate an amount not to exceed $60,000 within the Mayor’s Office 2021 Operating Budget, Areawide General Fund (101000) from the appropriation to the labor line item to the miscellaneous expenses category for use in the process of the mayoral transition.

It is intended for these funds to be available for use by Mayor-Elect Bronson’s transition team for any reasonable and necessary transition expenses incurred following the certification of the mayoral run-off election. Anchorage Municipal Code section 3.20.030 establishes a “transition period” from certification as mayor-elect after the runoff election to the date of taking office, and provides for compensation for the mayor-elect during this time. Historically, funding for offices supplies and services for the transition period, as allowed by Code, policies and procedures, and purchasing regulation, have usually been provided and it is proper to provide these funds for the Mayor-Elect Bronson Administration transition.
