Title: FM/Video Production Intern
Department: Content
Reports to: FM Operations Manager and Director of Production
Rate: \$15/hour, up to 20 hours/week
Term: Sept 23rd, 2024 - Dec 20th, 2024
Version: 2024 Fall

Alaska Public Media harnesses the power of multiple media platforms to make a more informed and connected life possible for all Alaskans. Alaska Public Media produces and presents news and content that provides lifelong learning opportunities in public affairs, health and leisure, science and nature, economic and social development, civic engagement, and world events.

The FM/Video Production Intern assists both the FM and Video Production teams with studio and field production, audio and video editing, analytics, and content inventory. This opportunity allows AKPM to teach the next generation of TV/Radio broadcasters by providing professional, hands-on training in these fields while the FM/Video Production Intern provides valuable, first-hand insight into the community that they're a part of.

Alaska Public Media (AKPM) is a broad-based public media organization that delivers television, radio, and web content. AKPM is the source for NPR radio and PBS television for Southcentral Alaska and stewards the public media statewide news collaboration.

FM Duties:

Perform audio operations including recording, editing, mixing promos, and finalizing audio.

Support the development of programming and development teams messaging, recording, editing audio to air on FM and assist with all content distribution platforms.

Assist FM colleagues with live radio broadcasts and regular operations support.

Record, mix and edit audio productions, promotions, underwriting announcements, sound effects, and musical selections.

Work across all delivery platforms - radio, web, social media, and television.

Assist in updating the audio database and inventory.

Video Production Duties:

Assist in acquiring promotional material for editing.

Perform program editing and file preparation for online content delivery.

Perform duties during studio productions including and not limited to operating studio teleprompter, camera operation, audio, graphics, and switching.

Research story topics and ideas independently and assist with shoots/interviews.

Shoot photographs and video as directed by the Director of Production.

Cobrand national TV promos for local broadcast TV.

Organize files, compile footage stringers, log video, conduct inventories.

Review/compile web analytics from social media platforms.

Conduct pre-interviews with subjects via telephone or zoom.

Perform other duties as assigned or delegated.

Competencies:

- Act in accordance with AKPM policies.
- Support AKPM compliance efforts with FCC, CPB, NPR, and PBS rules and regulations
- Communicate effectively.
- Apply critical thinking and problem-solving skills.
- Work in a fast-paced broadcast environment with multiple sources of media.
- Maintain positive relationships with both internal and external customers.
- Demonstrate consistent outstanding customer service.
- Proficient at computer use to include office software products, custom software packages, internet, and e-mail.
- Consistently demonstrate ethical behavior.
- Must exercise good judgment for the prompt completion of responsibilities.

Employee Expectations:

Must be able to work in a constantly changing environment with demonstrated ability to juggle and prioritize multiple, competing tasks and demands while seeking supervisory assistance as appropriate.

The selected applicant must have access to reliable transportation.
