From the MSF CHARTER

Médecins Sans Frontières provides assistance to populations in distress, to victims of natural or man-made disasters and to victims of armed conflict. They do so irrespective of race, religion, creed or political convictions.

Médecins Sans Frontières observes **neutrality** and **impartiality** in the name of universal medical ethics and the right to humanitarian assistance and claims full and unhindered freedom in the exercise of its functions.

Members undertake to respect their professional code of ethics and to maintain complete **independence** from all political, economic, or religious powers.

- **Medical programs in more than 60 countries**
- **More than 24,000 field positions - 8% international staff**
- **Approximately \$800 million annual budget**
- **More than 8.7 million patient consultations in 2007**
